

Nile College: Biology Department

Course delivery: Lectures

Program: ...Medicine & Surgery... **Staff Coordinator:**

Module Name # and Symbols: MD BIO 121.....

Class/Year: ...First Year..... **Semester:**First Semester.....

Semester duration:08.../...April /...2017... to: ...30.../...August.../...2017.....

Week	Day/Date	Time	Lecture Topics	Lecturer/s
1.	12 April	0830-0920 0930-1020	Human Biology Module Description - Planet Earth & Ecosystems	MYS M Sidahmed
2.	19 April	0830-1030	The Diversity of Living Things – Kingdom Taxonomy	Fatma Najeeb
3.	26 April	0830-1030	Beneficial & Harmful interactions in the Biosphere	M Sidahmed
4.	03 May	0830-1030	Ecosystems: Food Chains & Food Cycles - Bioaccumulation	M Sidahmed
5.	10 May	0830-1030	Medicinal Plants	H Alsafi
6.	17 May	0830-1030	Medical Zoology: Food & Water Borne Disease	M Sidahmed
7.	Mid-Semester Examinations: 20 - 25 May, 2017			
	(Vacation for Ramadan & Eid Alfitr: 27 May to 30 June)			
8.	05 July	0830-1030	Musculoskeletal System: Overview of structure and function	Randa
9.	12 July	0830-1030	Respiratory System: Breathing, Gas Exchange	MY Sukkar
10.	19 July	0830-1030	Gastrointestinal System: Overview of Structure & Function	Rehab Badi
11.	26 July	0830-1030	Cardiovascular System Physiology	MY Sukkar
12.	02 Aug.	0830-1030	Nutrition & Energy Harvesting	Nisreen
13.	09 Aug.	0830-1030	Renal Structure & Functions	Amal Saeed
14.	16 Aug.	0830-1030	Endocrine System: Overview of Major Glands	Amal Saeed
15.	23 Aug.	0830-1030	Introduction to the Human Body Composition	MY Sukkar
16.	30 Aug.	0830-1030	Impact of the environment on health	Sumaia Alfadil
	Pre-exam Break: Aug. 31st - September 8th, 2017 (Eid Aladha: Aug. 31st to Sept. 4th)			
21/22	09-21 September, 2017: Semester-End Examinations			

(v) Signifies delivery as planned
